FAQ

WHAT FURNISHINGS ARE PROVIDED WITH MY BOOTH SPACE?

- Each event is different. See *Event Information*, page 4, which will specifically list what items, if any, will be included in the booth space.

WHAT IF THE BOOTH DOES NOT INCLUDE ITEMS I NEED?

- Items that are provided as part of your booth package have no trade-in value. If you need an item that is not listed with the booth, you must order that item separately at the published rate.

HOW DO I PLACE MY ORDER?

- Online Ordering** – A link to the site, username, and password will be emailed to you.
 - Email orders** to service@superior-expo.com
 - Fax in your order** with the *Credit Card Authorization* form to: **972.271.7888, Attn: Exhibitor Services**
 - Mail in your order** forms and full payment to: **Superior Expo Services, 10548 US Highway 80, Forney, TX 75126**
- Orders will not be processed without full payment. Please review our *Payment Policies* for detailed information. Don't forget to keep a copy of your order for your records. For orders going to other "official suppliers", (i.e. Electrical, Internet, Telephone, Audio Visual, etc.) please follow the payment and mailing instructions indicated on each of the forms located in this manual.

WHAT IS THE CANCELLATION POLICY FOR REFUNDS ON FURNISHINGS?

Items cancelled on or prior to **Friday, February 25, 2022** will be refunded at 100%. Items cancelled after **Friday, February 25, 2022** and prior to delivery will be refunded at 50%. Items cancelled on show site or after delivery are **non-refundable** and billed at 100%. Exceptions to this policy are *Luxury Furniture, Graphics and Display Rentals*. If these items are cancelled after **Friday, February 25, 2022** they will be billed at 100%.

AM I REQUIRED TO PAY IN ADVANCE FOR SERVICES, OR MAY I BRING A CHECK TO THE SHOW?

Full payment must be received for services requested before the order will be processed. If you choose to pay by check, a credit card is still required to be on file.

WHAT ARE MY OPTIONS FOR INBOUND SHIPPING?

- Option 1: Advance Shipping** is sending your materials, up to 30 days prior to the event, to a designated warehouse which will store your freight and then deliver it directly to your booth space during **SES** move in. The advantage of sending your freight in advance is knowing it has arrived and will be delivered to your booth prior to your arrival.
- Option 2: Direct Shipping** is sending your materials directly to show site during the designated move in times. There is some risk with direct shipping because it does not allow for errors by your inbound carrier. If there is a problem and your carrier does not arrive on time, there may not be enough time to resend your materials.

WHAT IS THE DIFFERENCE BETWEEN MATERIAL HANDLING & SHIPPING?

- Material Handling** includes receiving, unloading your exhibit materials, storage for up to 30 days at the advance shipping location, delivery to your booth, handling of empty containers (removal from booth, stored, then returned to the booth at the close of the event) and removal of the material from your exhibit booth for reloading onto outbound carriers. This charge does not include the cost of shipping.
- Shipping** is the means by which shipments are transported via carriers to and from the event location.

WHO IS THE PREFERRED CARRIER?

- Superior Expo Solutions** is the preferred carrier for the show. **SES Solutions** offers a convenient, hassle free shipping service. If you would like to arrange for shipping or receive a quote from **SES Solutions** please call **972-271-7444**.

WHAT IS A BILL OF LADING?

- Bill of Lading** is a type of document that is used to acknowledge the receipt of a shipment of goods. In addition to acknowledging the receipt of goods, a Bill of Lading indicates the particular vessel on which the goods have been placed, their intended destination, and the terms for transporting the shipment to its final destination. A Bill of Lading is mandatory for **SES** to release your materials to your specified carrier at the close of the event.

WHAT ARE MY CHOICES FOR SHIPPING AT THE CLOSE OF THE SHOW?

You may use any carrier of your choice; however, we suggest you use the preferred carrier, **SES Solutions**. It is your responsibility to contact and make all arrangements for any carrier other than the preferred carrier. **SES** cannot guarantee that other carriers will show up to pick up your shipment. We do not provide outside carrier shipping documents and/or labels.

WHAT ARE THE MOVE-OUT PROCEDURES?

A **SES** Bill of Lading is required on **ALL** outbound shipments. The Bill of Lading is available at the service desk. After your booth is packed, labeled and ready to be shipped, please return the completed Bill of Lading form to the service desk. If you are not using **SES**, our preferred carrier, you must call your designated carrier with pick up information. **If your carrier fails to show up, your shipment will be re-directed through SES Solutions and the discount rate will not apply.** A **SES** representative will be available at show site for further questions.

HOW DO I OBTAIN A COPY OF MY FINAL INVOICE?

To obtain a final invoice, usually available one week after the event closes, contact our **Exhibitor Service Department** at **972.271.7444**.

Credit Card Authorization

Full payment must be received for services requested before your order will be processed.
If you choose to pay by check, a credit card is still required to be on file.

Material Handling FAQ's

SES has the responsibility of receiving and handling all exhibit materials, empty materials and empty crates. It is our responsibility to manage docks and schedule vehicles for the smooth and efficient move in/out of the event. SES will not be responsible, however, for any materials they do not handle. SES will have complete control of the loading docks at all times. If you wish to unload or load, you must report to the SES Freight Desk. Do not proceed to docks until told to do so.

WHAT IS MATERIAL HANDLING?

Material handling includes receiving, unloading your exhibit materials, storage for up to 30 days at the advance shipping location, delivery to your booth, handling of empty containers (removal from booth, stored, then returned to the booth at the close of the event) and removal of the material from your exhibit booth for reloading onto outbound carriers. This charge does not include the cost of shipping. Please refer to the *Shipping Information* page of this manual for further information.

WHAT ARE CRATED SHIPMENTS?

Crated shipments are packed in any type of shipping container that can be unloaded at the dock and delivered without additional handling. **Crated containers include: crates, fiber cases, and properly packed skids.**

WHAT ARE SPECIAL HANDLING SHIPMENTS?

- **Mixed Shipments** - Includes a mix of both crated and uncrated materials
- **Ground Loading/Unloading** - Special handling charges will apply to shipments that arrive in vehicles that are not dock height, such as u-hauls, flatbed trailers, double drop trailers, etc.
- **Stacked Shipments** - Shipments that require multiple items to be moved or removed for delivery to booth (i.e. loose items stacked on top of crates and/or pallets).
- **Piece Loading/Unloading** - Drivers who require multiple pieces to be moved to the rear of the trailer in order to select the next piece, or having to remove the freight from the trailer to re-fit in sequence.
- **No Documentation** - Shipments that arrive from a carrier without a *Bill of Lading*, which requires additional time and labor to process.
- **Excess of Small Shipments** - 10 or more loose pieces that are not palletized or crated.
- **Uncrated Shipments** - Indicates a shipment that is shipped loose or pad-wrapped, and/or un-skidded machinery without proper lifting tools.

HOW IS STRAIGHT TIME/OVERTIME DETERMINED?

Straight Time – Monday – Friday, 8:00 am to 4:30 pm

Overtime – All other times, Saturday, Sunday and holidays

- **ST/OT or OT/ST:** If freight will be handled one way on straight time and one way on overtime, either into the event or out of the event.
- **OT/OT:** If freight will be handled on overtime into the event and out of the event.

Overtime charges are assessed when SES has been granted access to the facility during overtime, per the contractual agreement with Show Management and the facility. This includes warehouse shipments.

HOW DO I CALCULATE MY MATERIAL HANDLING CHARGES?

Charges will be based on the weight of your inbound shipment. Each shipment received is considered separate. The shipment weight will be rounded up to the next 100 lbs. Each 100 lbs. is considered one **cwt** (hundred weight). There is a 200 lb. minimum charge for each shipment. Please refer to the *Material Handling Rate Sheet* for event prices.

Calculate Total CWT (Enter in increments of 10 lbs. only; make sure to round up to the next 100 lbs.)

Example below is based on the published rate:

350 lbs. (rounded to the next 100) divided by 100 = 4 Total CWT

4 CWT x \$72.00 = Material Handling Charge \$288.00

WHAT IS THE MOST COST EFFECTIVE WAY TO SEND SHIPMENTS?

The most cost-effective way to send your shipment is to consolidate and shrink wrap your shipments into one. If your shipment is broken up and delivered in multiple shipments, you will be charged per shipment. Please advise your carrier to deliver as one (1) shipment. Below is an example for an advance to warehouse shipment using the published rate: **\$72.00**

If sending 4 Separate Shipments:

- 1st shipment @ 41 lbs. = **\$144.00** (200 lbs. minimum)
- 2nd shipment @ 44 lbs. = **\$144.00** (200 lbs. minimum)
- 3rd shipment @ 52 lbs. = **\$144.00** (200 lbs. minimum)
- 4th shipment @ 60 lbs. = **\$144.00** (200 lbs. minimum)

If sending 1 Consolidated Shipment:

- 1 shipment (4 pieces) @ **197 lbs. = \$144.00** (200 lbs. minimum)

Material Handling Charges Include:

Material handling is the process of receiving your materials, either at the warehouse in advance of the show or at show site during move-in; delivering them to your booth; removing empty containers for storage during the show; returning the empty containers to your booth after the show; delivering your materials back to the dock; and loading for outbound shipping. Charges are determined by weight and ease of handling.

Versatile Executions.

When space is limited, furnishing with pieces that are versatile and multipurpose is key to providing a well-rounded experience. Ottomans serve as both additional seats and tables depending on your need. Stage them around accent tables for a comfortable campfire setting, or line them up in rows to create an audience for your presentation. Colorful options also help amplify your brand's style.

Meet in Style.

Professional doesn't have to mean stale. Set up a temporary workplace away from the office that serves both form and function. Pair office furnishings with safety products so you and your customers can confidently get down to business.

➡ Rules & Regulations

To assist in planning for your participation in this event, we know you will appreciate knowing in advance that union labor is required for certain aspects of your exhibit handling. To help you understand the **Area Work Rules-Labor Regulations**, we ask that you read the following.

➤ Decorator Labor

We currently have agreements with local unions to provide labor for display installation and dismantling. Full time employees of the exhibiting companies or approved EAC's, however, may set their own exhibits without assistance from any union labor. If you would like assistance to set your booth, it can be ordered in advance by filling out the *Display Labor Form* in the **SES** exhibitor manual or on show site at the **SES Exhibitor Service Desk**.

➤ Material Handling

Exhibitors may use a two-wheel dolly or hand-carry their own freight into the exhibit hall. Please keep in mind, for some shows, parking may be limited for unloading and loading. A designated entrance for POV's will be provided and an allotted amount of time will be given per vehicle for loading and unloading. The use or rental of four-wheel dollies, flat bed carts or other mechanical equipment is not permitted. **SES** will control access to the loading docks in order to provide for a safe and orderly move in/move out.

➤ Tipping

We request that exhibitors do not tip employees (give money, merchandise, or other special consideration for services rendered.) Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a supervisor. Employees are paid at an excellent wage. Tipping is strongly discouraged and is not accepted company policy.

➤ Safety

Standing on chairs, tables or other rental equipment is prohibited. This equipment is not engineered to support your weight. **SES** cannot be responsible for injuries or falls caused by the improper use of this equipment.

→ Third Party Payment

Full payment must be received for services requested before the order will be processed. If you choose to pay by check, a credit card still must be on file.

SES will present invoices to third parties at show site for payment of all services rendered to exhibitors under the following conditions:

- The Exhibitor is required to complete the *Exhibitor Appointed Contractor (EAC)* form located in this Exhibitor Service Manual.
 - The payment of the third party must be acceptable to **SES**. The credit card information below must be completed and submitted to **SES** prior to the show.
 - If there is any doubt who is to be invoiced for a service, the charge will be issued to the exhibitor. The exhibiting firm is ultimately responsible for the payment of charges. If the *EAC* requires **SES** to fax an invoice from the convention facility, a \$10.00 service fee will be added.
 - The following form is to be completed, signed and returned by both parties. Otherwise, the request will not be approved.
- ❖ **All invoices must be resolved by the close of the show.**
